

## Gibbs Farm Summer Day Camps 2020

### Pioneer PeeWees Frequently Asked Questions (FAQ)

#### **How does registration work?**

Pioneer PeeWees camp is offered on Wednesdays and Fridays throughout the summer. Each day is a different topic and an independent session, feel free to sign up for as many as you wish.

#### **What time should we arrive for Check In?**

Check in for Pioneer PeeWees Camp starts at 9:15 in the white Admissions building off the parking lot. At check in you will provide the name of the person who will pick up your child that day.

#### **Do I attend camp with my child?**

Nope, Pioneer Peewees Camp is just for kids! However, we understand your child might time to adjust before participating in an independent activity. You know what is best for your child, some parents might stay for the welcome song, or read a book under a tree in the distance during the first session.

#### **Does my child need to be potty trained?**

Yes, all children attending Pioneer PeeWees camp should be potty trained.

**What does my child need to bring?**

Kids should dress for the weather, as camp will take place outside. We recommend bringing along a reusable water bottle. Please make sure all your child's belongings are labeled. We donate lost and found items at the end of the season.

**Snack?**

We provide a snack during each session of Pioneer Peewees. Snack usually consists of a juice box or water with fruit/veggies and a small cookie. We will take water breaks as well, especially if it is a hot day.

**What if my child has allergies?**

Let us know about any relevant allergies on the camp registration form. We can offer an allergy friendly snack that does not contain dairy, gluten or nuts. Parents are welcome to pack a snack for their camper if that will better accommodate their allergy or dietary needs.

Our outdoor site has farm animals, walnut trees, bees and wasps. Please let us know before the first day of camp if your child will be bringing an EPI pen or other allergy medication with them to camp.

**What is your photo sharing policy?**

We love to share pictures of campers having fun at Gibbs Farm! We use these photos on social media, our website, advertisements and signage. We will never disclose your child's name, age, or other identifying information. Feel free to opt out on the camp registration form.

**Can my child sign up for camp with a friend?**

Yes! Each parent can sign up their child up via our online registration. Only one Peewees session is offered at a time, so all children will be in the same group.

**What if there is bad weather?**

Camp goes on rain or shine, as most activities can be brought inside. There is enough sheltered space for all campers in case of sudden severe weather. If Gibbs Farm Staff determines that programs cannot be run safely because of forecasted severe weather, parents and guardians will be notified before the start of camp.

**Who is leading the camps?**

Day camps are led by our fantastic seasonal interpretive staff. All staff members have received at least two weeks of training and passed a background check. Students in our Youth Intern Program help with most of our camps, these student volunteers assist staff to make sure camp runs smoothly.

### **Can I register at last minute?**

Registration for camp is closed when the camp is full or two days before it starts. After that time, you will not be able to register online, call the Gibbs Farm office at 651-646-8629 to check availability.

### **What is the Cancellation Policy?**

Two weeks' notice is required to receive a refund. If space allows, we are happy to switch your registration to a later session. Please call our office at 651-646-8629.
