

Bayaanka Farshaxaniistaha Adam Swanson

Jawaabta ku socoto John Norton Murals ee Dhismaha maxkamada Gobolka Ramsey

Inta lagu jiro inta badan 2019 waxaa loo wakiishay riinjiyeynta sawirada darbiga oo boosaska gudaha iyo banaanka ee agagaarka Minnesota. Mashaariicdaan waxay ku bilowdaan wadatashiga xubnaha bulshada iyo guddiyada si u helaan muuqaalo isku dhaf ah ee ka qeybgeliyaa xaafadaha iyo booqdayaasha. Aad ayaan uga mahad-celinayaa fursadaan si aan uga jawaabo sawirka darbiga John Norton ee ku saabsan Warshada ee Dhismaha maxkamada Gobolka Ramsey. Waxaan ku soo koray Ramsey County oo midaan waxay ii aheyd fursad muhiim oo aan kula wadaago cilmi baaristeyda ee taariiqda Minnesota si markaas dib loogu fasiro sawirada darbiga John Norton (1931-32) oo ku xir Ameerikaanka Dhaladka gobolka iyo bulshooyinka udoodaha deegaanka.

Sida xubinta Twin Ports Art-Science Collaborative oo shantii sanno ee la soo dhaafay, waxaan la shaqeeyay cilmi baarayaasha deegaanka ee baranayay qeybo kala duwan. Ka bilow qaadida tusaalooyinka biyaha ee Wabiga Mississippi oo salxiiska mashruuca isbadelka cimilada SPRUCE ee Grand Rapids, xubinnimadeyda iskaashiga waxay isiisay milicsiga hantida cimi baarayaasha xogta muhiimka ah waa usu keenista ku saabsan jawigeena deegaanka. Waxaan sidoo kale ahay xubinta Duluth Oo Biyo Nadiif ah, dhammaan iskaa wax u qabsiga hay'ada 501c4 oo raadineyso mustaqbal caafimaadan ee loogu tallogalay Wabiga St. Louis iyo harka biyaha Lake Superior. Waxaan sidoo kale nasiib u yeeshay ku isticmaalida waqti weyn ee mudaaharaadyada Standing Rock ee ku aadan Helitaanka Tuubada Dakota, dhageysanayo.

Hadafka riinjiyeynteyda waxay u dabaaldageysaa geesiyadeena iyo saaxibada ka shaqeynayo caafimaadka mustaqbalka Minnesota. Waxaan ku daray warshada hadeer oo gaarsiinayo Saint Paul iyo inta kale ee Minnesota bari waarto. Hadeer, wax ka badan abid, reer Minnesota si weyn ayay ugu walaacsanyihiin wax ku saabsan xiriirka warshadaha, biyaha, iyo deegaanka. Waxaan rabaa inaan dhiirogeliyo afkaaro cusub ee ku saabsan tallaabooyinkeena ee Wabiga Mississippi iyo aagaga ku haraareysan. Saint Paul waa hogaanka gobolka iyo wadanka oo u leh xiriir cajiib ah Wabiga Mississippi. Wax ka barashada iyo wadaagida dhaqankeena iyo cilmiga oo dhinaca riinjiyeyn fikir leh, waxaan ka faa'ideysaneynaa waqti muhiim ah oo lagu qiranayo xiriirkeena isbadelayo, iyo dhawaan aan la soo celin karin, ee dhulka, biyaha, iyo xayawaanada ka dhigo aageena mid aad u gaar ah.
